

INVITATION

The Swindon & Wiltshire Local Enterprise Partnership (SWLEP)[#], the Skills Funding Agency and GWP* invite you to join them at a breakfast meeting to celebrate apprenticeships. The target audience is employers who are interested in:

- learning about how apprenticeships can help their organisation
- finding out more about progression opportunities onto higher level apprenticeships to support their higher level skills needs
- hearing about the government's apprenticeship reform programme

This networking meeting will enable you to find out more about apprenticeships and is relevant for:

- employers who have not recruited an apprentice before;
- and for employers who employ apprentices as part of their overall recruitment strategy and are looking at further apprenticeship opportunities.

During the event, employers will have ample opportunity to network with one another and towards the end of the agenda, there will be a panel Q&A opportunity.

There are two events:

Date: Tuesday 24 February 2015
Time: 7.00am – 9.30am
Venue: UTC Swindon, Bristol Street, Swindon, Wiltshire SN1 5ET
[Click here to book your place on this event](#)

Date: Wednesday 4 March 2015
Time: 7.00am – 9.30am
Venue: City Hall, Malthouse Lane, Salisbury, Wiltshire SP2 7TU
[Click here to book your place on this event](#)

The programme will include an update on the proposed government apprenticeship reforms, and presentations from an employer apprenticeship ambassador, an apprentice, and on higher apprenticeships.

All delegates will be invited to put their business cards in a prize draw.

For further information on the event, contact:

Julia Falaki, GWP Partnership Manager E: admin@gw-partnership.co.uk, T: 07732691769

** GWP is a network of Skills Funding Agency / EFA funded training providers who deliver 16-19 and adult learning and training courses.*

Local Enterprise Partnerships (LEPs) are voluntary partnerships between local authorities and businesses set up in 2011 by the Department for Business, Innovation and Skills to help determine local economic priorities and lead economic growth and job creation within the local area.
